A Year to Remember

(May 23, 1933 3:00 o'clock P.M.)

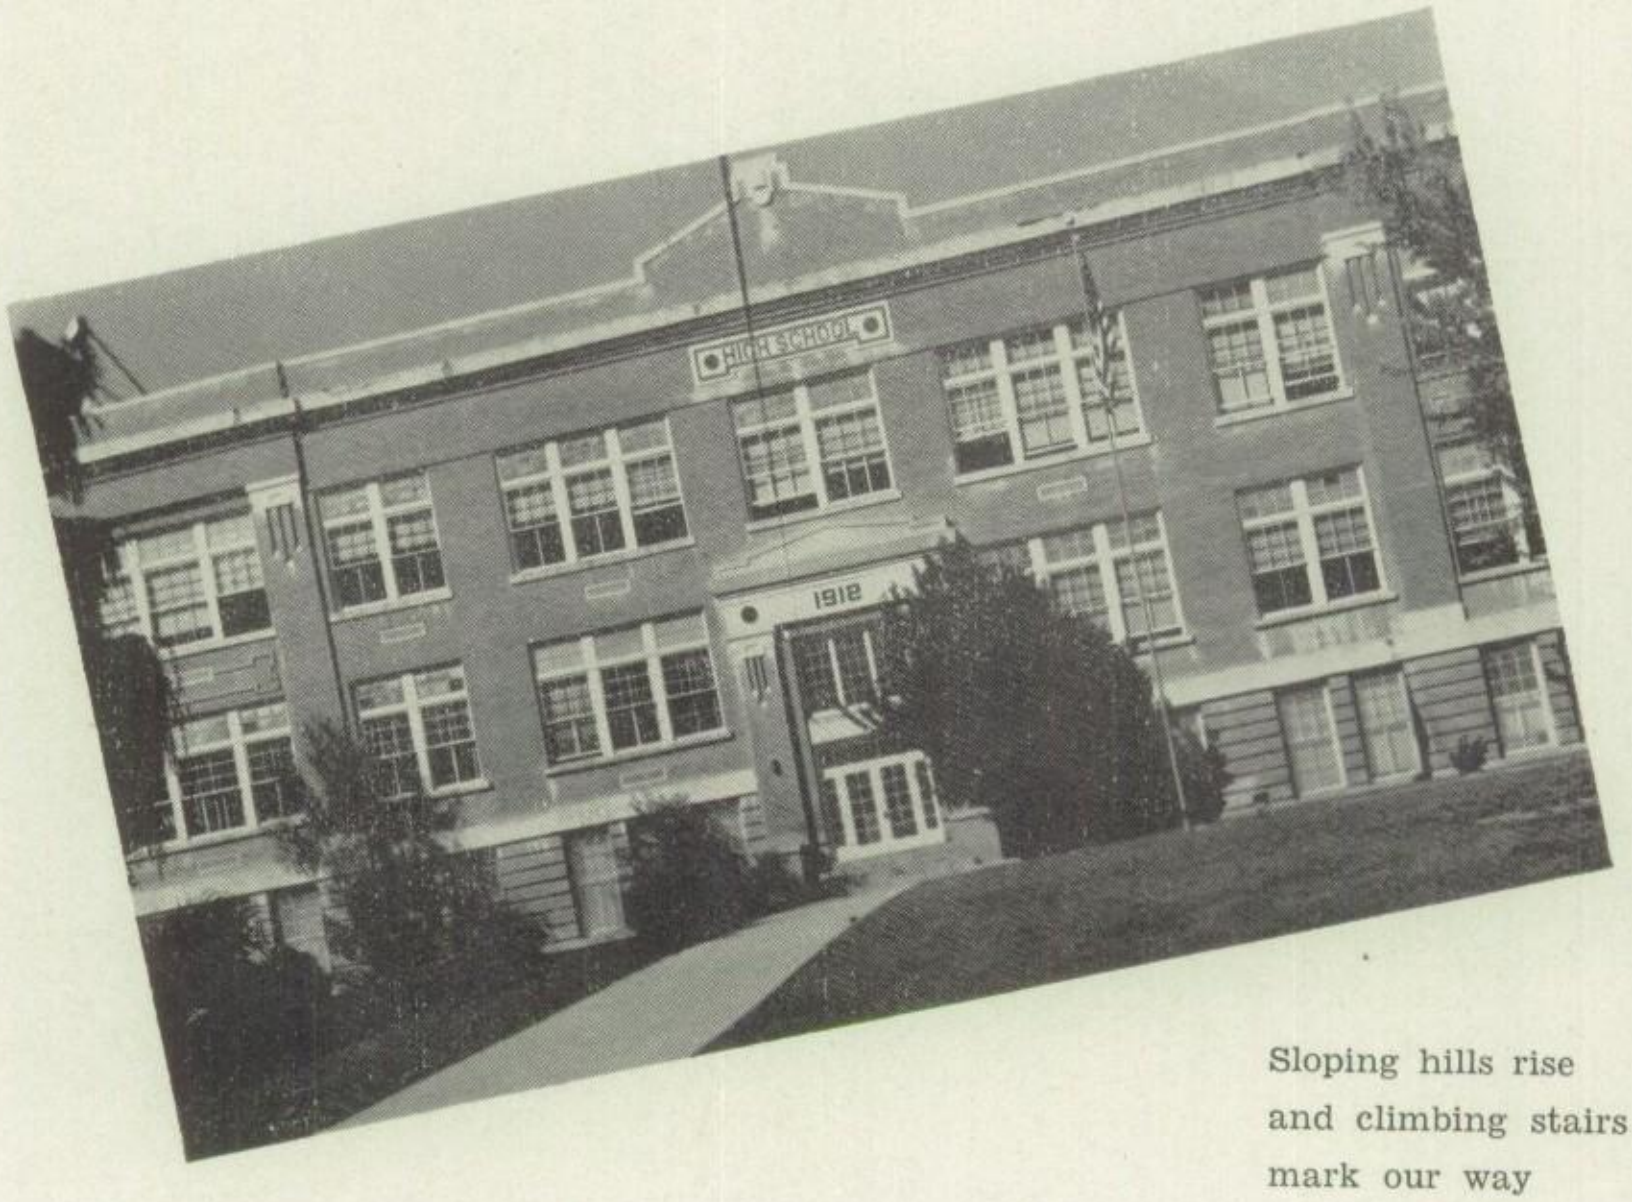
Hi Guy, How's my favorite cousin!? Keep up your good work and cute personality. Just think we will soon be in the 8th. grade. It seems like it was just last week that we were in 3rd. grade We've had buckets of fun this year, haven't we? You're really a swell kid & with your good looks and cute personality you will go far. Here's wishing you luck and success always! and especially with your favorite girl. I guess I'd better be leaving for now. Wally, A pal and friend always

Judith.

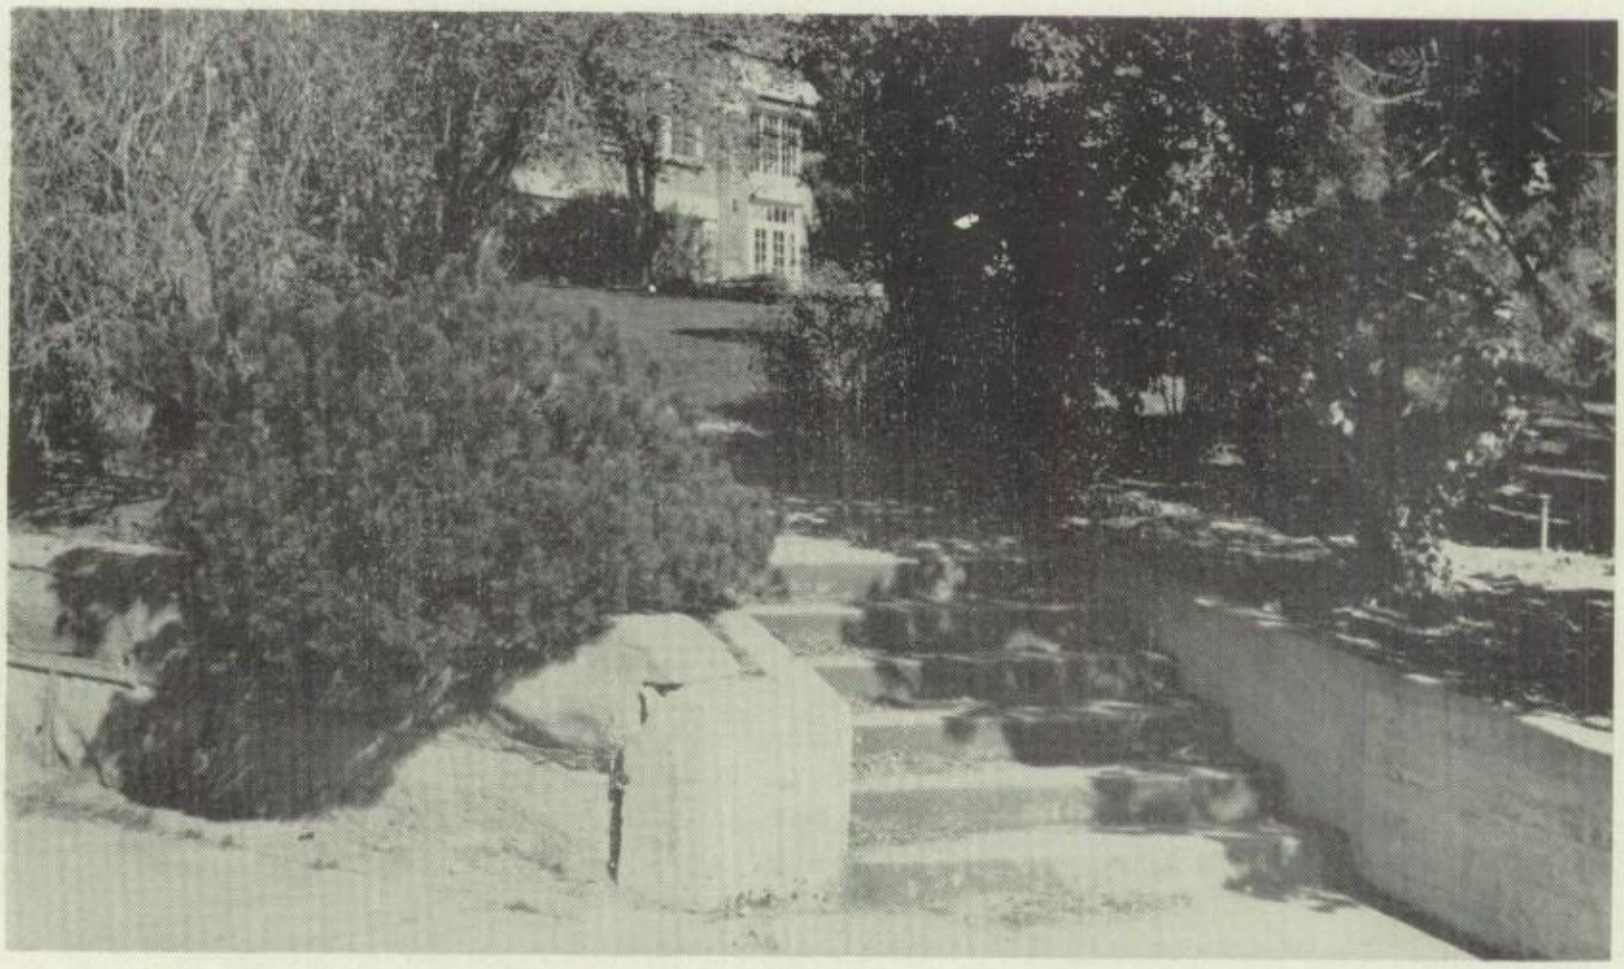
This is our

Campus

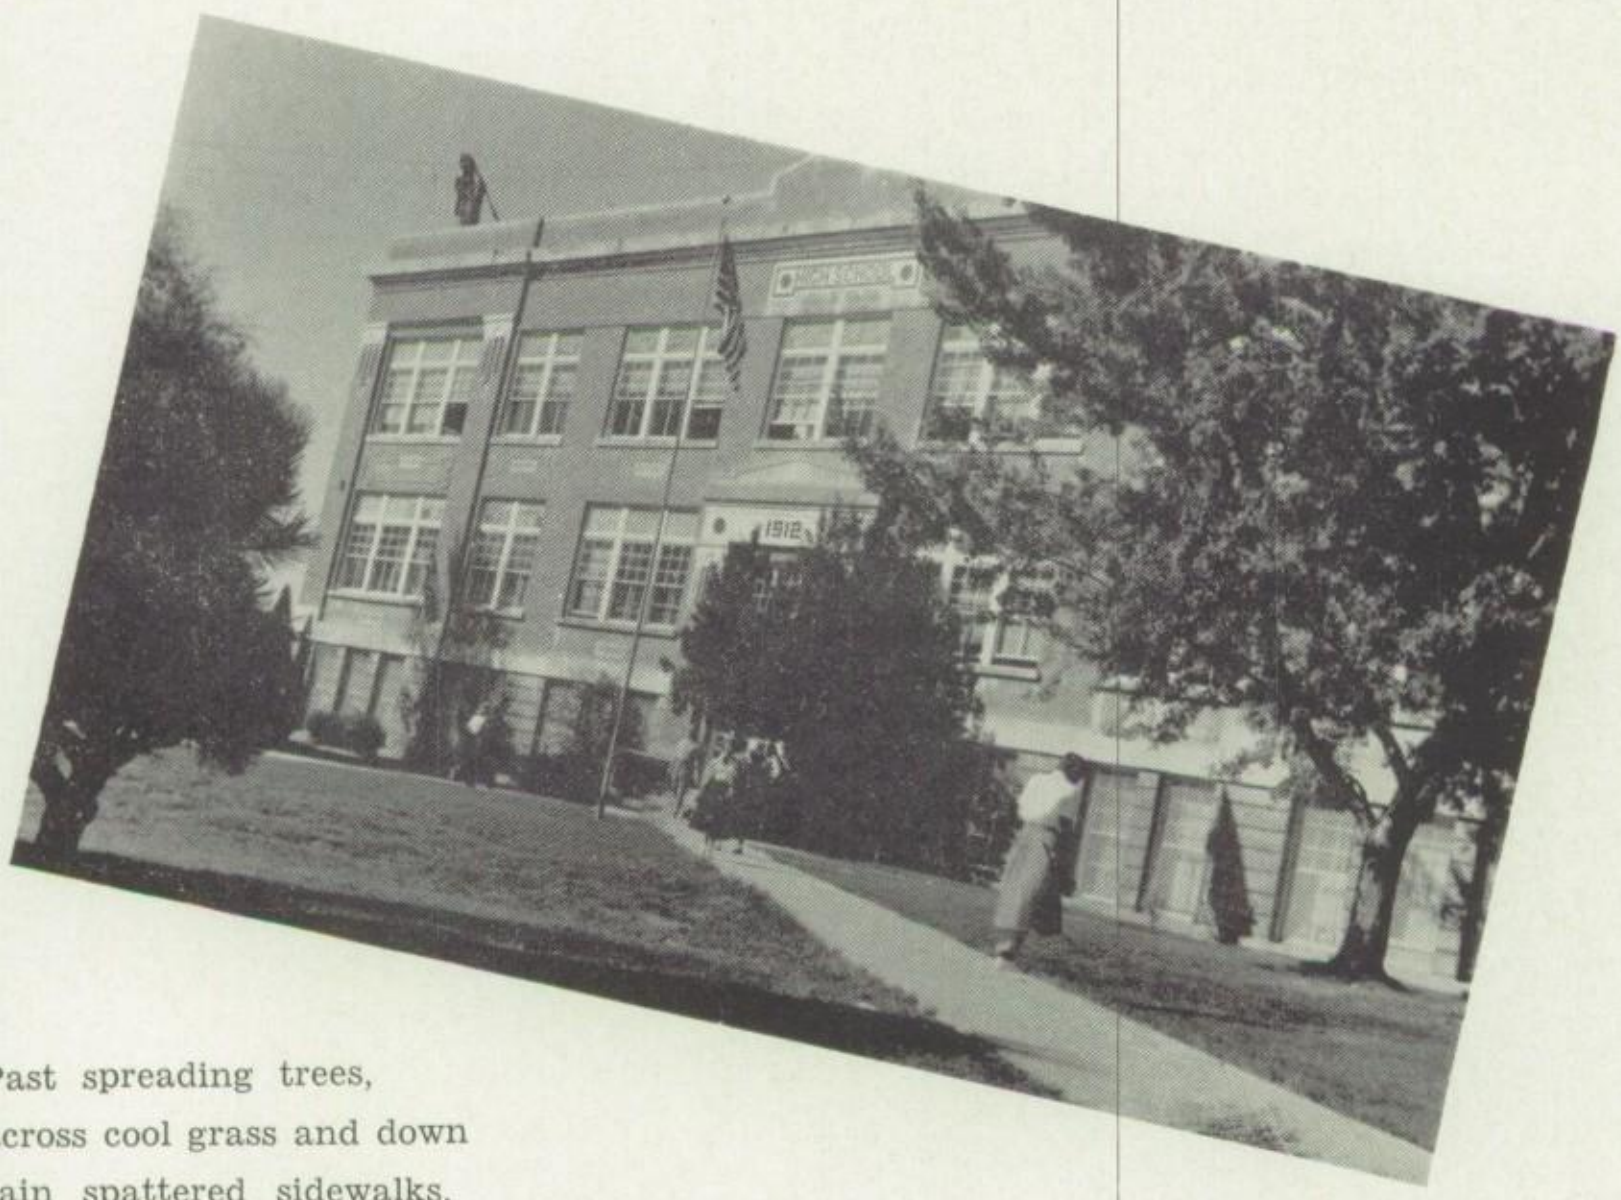
And it's



Sloping hills rise
and climbing stairs
mark our way



nome to us



Past spreading trees,
across cool grass and down
rain spattered sidewalks.

Principal

CHARLES B. WALKER

We shall never forget Mr. Walker. It mattered not if we were in need of counsel or just a friendly word, "Charlie" was always ready to help out. To him we say "Thanks" for the example he has set for us. He will forever live with us in fond memories.

I THINK you ARE a pretty NICE guy. (I guess) I hope we will always be Friends You have a very NICE personal And you will have lots of Friends.

All you have to do is SNAP your fingers And girls flock at your feet And beg you to kiss them. If I were you I'd quit liking one of the girls you like because I sort of like her too (I'm just kidding) So long for a while We'll always be friends (I hope)

Hi "Cutie,"
Be good now and don't do anything that I wouldn't, (And that doesn't give you a lot of room.) But seriously John I have enjoyed your friendship through this year. You have real good looks and a matching personality, surly with both of these you most certainly will go far in life. I am most certain that any task you attempt to do you will be successful in. Don't ever change yourself John because you a certainly one of the most wonderful Kids that I have ever met, and for you to change yourself it might be fatal.
